For the first year from the date of purchase, the amount reimbursed will be equal to the purchase value of the baggage or valuables. In the following year, the reimbursement amount will be calculated at up to 75% of the purchase price. In subsequent years the value will be reduced by a further 10%.

In the event of theft, you will be compensated on the basis of the replacement value of equivalent objects of the same kind, provided you can provide proof of theft.

You are required to prove, by all means in your power and by all documents in your possession, the existence and value of such property at the time of the loss, as well as the extent of the damage.

EARLY RETURN:

If you have to interrupt your trip prematurely in the cases listed below, we will pay for your additional transportation costs and those of your beneficiary family members or an insured person under this contract accompanying you, if the tickets provided for your return and theirs cannot be used because of this event, based on a train ticket in 1st class or a plane ticket in economy class.

We intervene in case of:

- hospitalisation of a member of your family, a person responsible for the care of your minor and/or disabled child who has remained at home or your professional replacement.

Only medical necessity is taken into consideration in granting this guarantee.

In any case, catering or other expenses remain the responsibility of this person.

This guarantee cannot be combined with the "Visit from a loved one" guarantee.

In this case, we will reimburse the amount of expenses incurred up to the maximum amount shown in the Table of Guarantees.

In the event that the insurance company to which you pay your premium does not cover the medical expenses incurred, we will reimburse the costs incurred up to the amount shown in the Table of Guarantees, subject to you providing original medical bills and proof that the insurance company has refused to reimburse these costs.

ARTICLE 14 - DATA COLLECTION

The Insured acknowledges that the Insurer processes his personal data in accordance with the regulations in effect relative to the processing of such data and the protection of privacy, notably the provisions of the French Data Protection Act No. 78-17 of 6 January 1978 as amended and the General Data Protection Regulation (Regulation

2016/679 of 27 April 2016) and that, furthermore,:

- Answers to the questions asked are compulsory and that, in the event of false declarations or omissions, the consequences for him/her may be nullity of the contract (Article L 113-8 of the Insurance Code) or the reduction of compensation (Article L 113-9 of the Insurance Code),

- The processing of personal data is necessary for subscription and execution of its contract and guarantees, for management of the commercial and contractual relationship and for the execution of legal, regulatory or administrative provisions in effect.

- The data collected and processed is kept for the duration necessary to fulfil the contract or legal obligation. This data is then archived in accordance with the periods provided for in the provisions relative to the statute of limitations.

- The recipients of the data concerning the Insured are, within the limits of their authority, the Insurer's departments in charge of establishment, management and execution of the Insurance Contract and guarantees, its delegates, agents, partners, subcontractors and reinsurers in the context of exercising their assignments for the purposes described below.

It may also be sent, if appropriate, to professional bodies and to all persons involved in the contract, such as lawyers, experts, court officials and judicial officers, trustees, guardians or investigators.

Information concerning him/her may also be sent to any persons recognized as Authorized Third Parties (courts, arbitrators, mediators, concerned ministries, supervisory and regulatory authorities and all public bodies authorized to receive it, as well as to the services in charge of control such as statutory auditors, other auditors and services in charge of internal control).

- In its capacity as a financial institution, the Insurer is subject to the legal obligations arising mainly from the Monetary and Financial Code in terms of the fight against money laundering and terrorist financing and, as such, it implements a contract monitoring process that may lead to the drafting of a suspicious transaction report or an asset-freezing measure.

Data and documents concerning the Insured are kept for a period of five (5) years from the close of the contract or termination of the relationship.

- The Insured's personal data may also be used in the context of processing to combat insurance fraud which may lead, if necessary, to inclusion on a list of persons presenting a risk of fraud.

This inclusion may result in longer examination of the case, or even reduction or refusal of the benefit of a right, service, contract or service proposed.

In this context, personal data concerning the Insured (or concerning the persons who are parties or concerned by the contract) may be processed by any authorised person working within the entities of the Insurer Group in the context of the fight against fraud. This data may also be intended for the authorised personnel of the organisations directly concerned by fraud (other insurance organisations or intermediaries, judicial authorities, mediators, arbitrators, court officials, judicial officers, third-party organisations authorised by a legal provision and, where applicable, victims of acts of fraud or their representatives).

In the event of a fraud alert, the data is kept for a maximum of six (6) months to qualify the alert and then deleted, unless the alert proves to be relevant. In the event of a relevant alert, the data is kept for up to five (5) years from the close of the fraud case, or until the end of the legal proceedings and the applicable statute of limitations.

For persons on a list of suspected fraudsters, their data is deleted 5 years after placement on the list.

- In its capacity as Insurer, the Insurer is entitled to process data relative to offences, convictions and security measures, either at the time of subscription of the contract or during its execution or in the context of managing disputes.

- Personal data may also be used by the Insurer within the framework of processing operations that it implements for its legitimate interest and whose purpose is research and development to improve the quality or relevance of its future insurance and/or assistance products and service offers.

- Personal data concerning the Insured may be accessible to some of the Insurer's employees or service providers established in countries outside the European Union. In this case, the Insurer agrees to take all the necessary measures to ensure the protection of the personal data transmitted.

- The Insured has the right to access, rectify or delete the data processed, and the right to limit or object to the processing of his/her data, by proving his/her identity. He also has the right to request that the use of his data be limited when it is no longer necessary, or to retrieve the data he has provided in a structured format, when it is necessary for

the contract or when he has consented to the use of such data.

He has the right to set guidelines on the fate of his personal data after his death. These guidelines, whether general or specific, relate to the storage, deletion and disclosure of his data after his death.

These rights may be exercised by contacting the Insurer's Data Protection Representative:

- by e-mail: at DRPO@MUTUAIDE.fr
- or
- by postal mail: by writing to the following address: Délégué représentant à la protection des données – MUTUAIDE ASSISTANCE - 126, rue de la Piazza - CS 20010 - 93196 NOISY LE GRAND CEDEX.

After having made a request to the Data Protection Officer without receiving satisfaction, he has the possibility of referring the matter to the CNIL (Commission Nationale de l'Informatique et des Libertés).

ARTICLE 15 - SUBROGATION

MUTUAIDE ASSISTANCE is subrogated in the rights and actions of the Beneficiary to the extent of the compensation paid and the services rendered, against any person responsible for the events which motivated its intervention. When the services provided in execution of the agreement are covered in whole or in part by another company or institution, MUTUAIDE ASSISTANCE is subrogated in the rights and actions of the Beneficiary against this company or institution.

ARTICLE 16 - LIMITATION PERIOD

In application of Article L 114-1 of the Insurance Code, any action arising from this contract is time-barred after two years from the event giving rise to it. This period is extended to ten years for death benefits, with the actions of the beneficiaries being time-barred no later than thirty years from this event.

However, this period shall only run:

- in the event of concealment, omission, false or inaccurate statement on the risk incurred, from the day that which the Insurer became aware of it;
- in the event of a claim, only from the day that the persons concerned became aware of it, if they prove that had been unaware of it until then.

When the Insured's action against the Insurer is based on the recourse of a third party, the limitation period shall only run from the day that the third party brought legal action against the Insured or was indemnified by the Insured.

This limitation period may be interrupted, in accordance with Article L 114-2 of the Insurance Code, by one of the following ordinary causes of interruption:

- recognition by the debtor of the right of the person against whom he was seeking application of the time limit (Article 2240 of the Civil Code);
- a legal claim, even in summary proceedings, until the end of the proceedings. The same applies when it is brought before a court lacking jurisdiction or when the act of referral to the court is annulled as a result of a procedural defect (Articles 2241 and 2242 of the Civil Code). Interruption is null and void if the plaintiff withdraws his claim or allows the proceedings to lapse, or if his claim is definitively rejected (article 2243 of the Civil Code);
- a precautionary measure taken pursuant to the Code of Civil Enforcement Procedures or an act of forced execution (Article 2244 of the Civil Code).

It is reminded that:

Summoning of one of the joint debtors by a legal request or by a document of forced execution, or recognition by the debtor of the right of the party against whom he was seeking application of the time limit, interrupts the time limit against all others, even against their heirs.

On the other hand, summoning of one of the heirs of a joint debtor or recognition of this heir does not interrupt the time limit with regard to the other co-heirs, even in case of hypothecary claim, if the obligation is divisible. Such summons or recognition interrupts the time limit with regard to the other co-debtors only for the share of the obligation

for which the heir is bound.

In order to interrupt the time limit for all parties, with regard to other co-debtors, it is necessary to summon all the heirs of the deceased debtor or seek recognition of all these heirs (article 2245 of the Civil Code).

The summons sent to the principal debtor or his acknowledgement interrupts the time limit against the guarantor (article 2246 of the Civil Code).

The limitation period may also be interrupted by:

- the appointment of an adjuster following a claim;
- the sending of a registered letter with acknowledgement of receipt (sent by the Insurer to the Insured with regard to the action for payment of the premium, and sent by the Insured to the Insurer with regard to settlement of the claim).

ARTICLE 17 - SETTLEMENT OF DISPUTES

Any dispute arising between the Insurer and the Insured relative to determination and payment of benefits shall be submitted by one of the parties, failing amicable resolution, to the competent court at the location of the beneficiary's domicile, in accordance with the provisions of Article R 114-1 of the Insurance Code.

ARTICLE 18 - FALSE DECLARATIONS

When they change the subject of the risk or diminish our opinion of it:

- **Any concealment or intentionally false statement on your part will render the contract null and void. Premiums paid remain our property and we shall be entitled to demand payment of premiums due, as provided for in Article L 113.8 of the Insurance Code.**
- **Any omission or inaccurate declaration on your part which is not established as being made in bad faith will result in the termination of the contract 10 days after the notification sent to you by registered letter and/or application of the reduction of compensation under the Insurance Code as provided for in Article L 113.9.**

ARTICLE 19 - REGULATORY AUTHORITY

The authority responsible for regulating MUTUAIDE ASSISTANCE is the Autorité de Contrôle Prudentiel et de Résolution (ACPR) - 4, place de Budapest - CS 92 459 - 75 436 Paris Cedex 9.
