However, you cannot combine this compensation with the other compensation provided under the LUGGAGE cover.

WHAT ARE THE LIMITS OF OUR COVER?

During the first year from the date of purchase, the amount reimbursed will be equal to the purchase value of the luggage or the valuable object. In the following year, the refund amount will be calculated at 75% of the purchase price. In subsequent years the value will be reduced by a further 10%.

In the event of theft, you will be reimbursed on the basis of proof and the replacement value of equivalent objects of the same kind.

In all cases, the proportional capital rule provided for in Article L.121-5 of the French Insurance Code shall not apply.

Our reimbursement will be made after deduction of any reimbursement obtained from the transport company and of the excess.

WHAT ARE YOUR OBLIGATIONS IN THE EVENT OF A CLAIM?

You must report the claim to MUTUAIDE – SERVICE ASSURANCE within five working days except in the case of unforeseen events or force majeure; if you do not comply with this deadline and we suffer loss as a result, you will lose all rights to compensation.

If these documents are not provided, you forfeit your right to compensation.

The sums insured cannot be considered as proof of the value of the goods for which you are claiming compensation, nor as proof of the existence of these goods.

You are required to prove, by all means in your power and by all documents in your possession, the existence and value of these goods at the time of the claim, as well as the extent of the losses incurred.

If you knowingly use inaccurate documents or fraudulent means or make inaccurate or concealed declarations as proof, you will lose all rights to compensation, without prejudice to any legal proceedings that we may then be entitled to take against you.

You must notify **MUTUAIDE - SERVICE ASSURANCE** immediately by registered letter as soon as you are informed of this:

- if we have not yet paid compensation, you must take back the said luggage, objects or personal effects; we are then only obliged to pay for any damaged or missing items.

 - ✓ either to surrender the said luggage, objects or personal effects to us,
 - ✓ or to take back the said luggage, objects or personal effects in return for the repayment of the compensation you have received, minus, where applicable, the part of this compensation corresponding to any damaged or missing items.

If you do not choose within 15 days, we will consider that you have opted to surrender the items to us.

CLAUSE 14 – DATA COLLECTION

The Insured acknowledges that he/she has been informed that his/her personal data is processed by the Insurer in accordance with the regulations in force relating to the processing of such data and the protection of privacy, in particular the provisions of the French Data Protection Act No. 78-17 of 6 January 1978 as amended and the General Data Protection Regulation (Regulation 2016/679 of 27 April 2016) and also that:

- the answers to the questions asked are required and that in the event of false declarations or omissions, the consequences for the Insured may be the nullification of the policy (Article L.113- 8 of the French Insurance Code) or a reduction of the compensation paid (Article L.113- 9 of the French Insurance Code).
- The processing of personal data is necessary for the subscription and execution of his/her policy and benefits, for the management of commercial and contractual relationships, or for the execution of legal, regulatory or

administrative provisions in force.

- The data collected and processed shall be stored for the time periods required for the execution of the policy or as required by law. These data shall then be archived for the applicable legal limitation periods.
- The recipients of the data relating to the Insured are, within the limits of their responsibilities, the Insurer's departments in charge of the conclusion, management and execution of the insurance policy and cover, and its delegates, agents, partners, subcontractors and reinsurers within the framework of the exercise of their functions for the purposes described above.

The data may also be sent, if necessary, to professional bodies and to any persons involved in the policy such as lawyers, experts, court officers and ministerial officers, curators, guardians and investigators.

Information concerning the Insured may also be sent to all persons empowered as Authorised Third Parties (courts, arbitrators, ombudsmen, relevant ministries, supervisory and control authorities and all public bodies authorised to receive the information, as well as to the inspection and audit services such as statutory auditors, inspectors and internal control departments).

- In its capacity as a financial organisation, the Insurer is subject to the legal obligations arising principally from the French Monetary and Financial Code with regard to the prevention of money laundering and terrorist financing and, in this respect, it follows a process for monitoring policies which may result in a report of suspicious transactions or in freezing of assets.

Data and documents relating to the Insured are held for a period of five (5) years from the expiry of the policy or the termination of the relationship.

- The Insured's personal data may also be used in the context of processing to combat insurance fraud, which may lead, if necessary, to registration on a list of persons presenting a risk of fraud.

This may mean that examination of the file takes longer, or result in the reduction or refusal of an entitlement, a benefit, a policy or a service offered.

As such, personal data relating to the Insured (or persons party to or affected by the policy) may be processed by any authorised persons working within the entities of the Insurer's Group in the context of the fight against fraud. These data may also be intended for the authorised personnel of organisations directly concerned by a fraud (other insurance organisations or intermediaries; judicial authorities, ombudsmen, arbitrators, court officers, ministerial officers; third-party bodies authorised by a legal provision and, where applicable, the victims of fraudulent acts or their representatives).

In the event of a fraud alert, the data shall be held for a maximum of six (6) months to qualify the alert then deleted, unless the alert proves to be valid. If the alert is valid, the data shall be held for up to five (5) years from the closure of the fraud file, or until the end of the legal proceedings and the expiry of the applicable legal limitation periods

For persons registered on a list of suspected fraud offenders, the data concerning them shall be deleted after a period of five (5) years from the date of their registration on this list.

- In its capacity as an insurance company, the Insurer is entitled to process data relating to offences, convictions and security measures either at the time of taking out the contract, or during its execution or within the framework of managing disputes.
- Personal data may also be used by the Insurer in the context of processing carried out by the Insurer for its own legitimate interests, the objective of which are research and development to improve the quality or relevance of its future insurance products and/or assistance and service offerings.
- The Insured's personal data may be made available to some of the Insurer's employees or service providers located outside European Union countries. In that event, the Insurer undertakes to implement all necessary guarantees to ensure the protection of the personal data transmitted in this way.
- The Insured has a right of access, rectification and deletion of the data processed, as well as a right to limit or oppose the processing of his/her data, by providing proof of identity. He/she also has the right to ask to limit the use of his/her data when they are no longer needed, or to recover in a structured format the data he/she has provided when these data are necessary for the policy or when he/she has consented to the use of the data.

He/she has the right to define instructions concerning the fate of his/her personal data after his/her death. These instructions, whether general or specific, concern the retention, deletion and communication of his/her data after his/her death.

These rights may be exercised with the Insurer's Representative Data Protection Officer:

- by e-mail, to DRPO@MUTUAIDE.fr
or
- in writing, to the following address: Representative Data Protection Officer – MUTUAIDE ASSISTANCE – 126, rue de la Piazza – CS 20010 – 93196 NOISY LE GRAND CEDEX.

If a request submitted to the Data Protection Officer is not satisfactorily dealt with, the Insured may refer the matter to the French Data Protection Authority (CNIL – Commission Nationale de l'Informatique et des Libertés).

CLAUSE 15 – SUBROGATION

MUTUAIDE ASSISTANCE is subrogated to the extent of the compensation paid and the services provided by it in the rights and actions of the Beneficiary, against any person responsible for the facts which motivated its intervention. When the services provided in execution of the agreement are covered in whole or in part by another company or institution, MUTUAIDE ASSISTANCE is subrogated to the rights and actions of the Beneficiary against this company or institution.

CLAUSE 16 – PERIOD OF LIMITATION

Pursuant to Article L.114-1 of the French Insurance Code, any action deriving from this policy is time-barred after two years from the event that gave rise to it. This period is extended to ten years for death benefits, with action brought by the beneficiaries being time-barred at the latest thirty years after this event.

However, this period only runs:

- in the case of concealment, omission, false or inaccurate statement on the risk incurred, from the day the Insurer became aware thereof;
- in the event of a claim, only from the day when the affected parties became aware of it, if they can prove that they were unaware of it until then.
- When the Insured's action brought against the Insurer is based on recourse by a third party, this period of limitation shall run only from the day on which this third party took legal action against the Insured or was compensated by the latter.
- This period of limitation may be interrupted, in accordance with Article L.114-2 of the French Insurance Code, by one of the following ordinary causes of interruption:
- recognition by the obligor of the right of the person against whom he/she could claim inaction within the time limit (Article 2240 of the French Civil Code);
- the bringing of a legal claim, including in summary proceedings, up until the termination of the proceedings. The same applies where the action is brought before a court which lacks jurisdiction or where the act of bringing the action before the court is annulled as a result of a breach of procedure (Articles 2241 and 2242 of the French Civil Code). The interruption is null and void if the plaintiff withdraws his/her claim or allows the proceedings to lapse, or if his/her claim is definitively rejected (Article 2243 of the French Civil Code);
- or in the case of a protective measure in accordance with the French Code of Civil Procedure or an act of forced execution (Article 2244 of the French Civil Code).

It is recalled that:

Interpellation made to one of the joint and several obligors by a legal demand or by an act of forced execution or the recognition by the obligor of the right of the one against whom he/she could claim inaction within the time limit interrupts the period of limitation against all others, even against their heirs.

However, interpellation made to one of the heirs of a joint and several obligor or the acknowledgement of this heir does not interrupt the period of limitation with regard to the other co-heirs, even in the case of a mortgage claim, if the obligation is divisible. Such interpellation or acknowledgement interrupts the period of limitation with respect to the other co-obligors, only for the share for which this heir is liable.

In order to interrupt the limitation period for the whole, with regard to the other co-debtors, it is necessary to summon all the heirs of the deceased debtor or to acknowledge all these heirs (Article 2245 of the *Code civil* (French Civil Code)). The interpellation of the principal obligor or his/her acknowledgement interrupts the period of limitation against the guarantor (Article 2246 of the French Civil Code).

The limitation period can also be interrupted by:

- the appointment of an expert following a claim;
- the sending of a registered letter with acknowledgement of receipt (sent by the Insurer to the Insured in respect of the action for payment of the premium, and sent by the Insured to the Insurer in respect of the payment of the claim).

CLAUSE 17 – SETTLEMENT OF DISPUTES

Any dispute arising between the Insurer and the Insured relating to the determination and payment of benefits shall, failing amicable resolution, be submitted by the first party to act to the competent court of the Insured's domicile in accordance with the provisions of Article R.114-1 of the French Insurance Code.

CLAUSE 18 – FALSE DECLARATIONS

When they change the object of the risk or reduce our opinion of it:

- **Any concealment or intentionally false declaration on your part shall render the policy null and void. The premiums paid shall be retained by us and we shall be entitled to demand payment of the premiums due, as provided for in Article L.113-8 of the French Insurance Code.**
- **Any omission or inaccurate declaration on your part, the bad faith of which is not established, shall lead to the cancellation of the policy 10 days after the notification that will be sent to you by registered letter and/or the application of the reduction of the indemnities under the French Insurance Code as provided for in article L.113-9.**

CLAUSE 19 – SUPERVISORY BODY

The supervisory body for MUTUAIDE ASSISTANCE is the Autorité de Contrôle Prudentiel de Résolution (ACPR – French Prudential Supervisory Authority) – 4, place de Budapest – CS 92459 – 75436 Paris Cedex 9.

CLAUSE 20 – LANGUAGE

The language used in the context of pre-contractual and contractual relationships is French.

CLAUSE 21 – COMPETENT COURTS

The policy is governed exclusively by French law. Any dispute arising from the execution, non-execution or interpretation of this Information Notice shall be subject to the exclusive jurisdiction of the French courts.
